RECORD LOAD OF BOMBS RAIN ON BERLIN

Street Fighting in Cassino Increases in Intensity

Most Concentrated Air Attack in All History Launched

Between 800 and 900 Heavy British and Canadian Planes Dump Destructive Shells in 29 Terrible Minutes on Reich Capital

BLINDING CRIMSON FLAMES BLOT CITY FROM VIEW

London, Feb. 16—(AP)—The RAF smashed Berlin last night with the greatest load of bombs ever dropped on a single target—well over 2,800 tons—which cascaded down in a smothering 20-minute attack by 800 to 900 heavy bombers.

Forty-five aircraft are missing from the night's operations, which included other forays.

The RAF waited two weeks to deal this crushing blow against the expiring capital of the German Reich. Not since May 30, when Berlin was hit by a force approaching 800 planes, did it make a major attack.

It is believed that the armada sent over Germany last night comprised the greatest number of planes ever to fill the Reich's skies in one night, including 1,000 heavy bombers and more than 200 lighter planes.

Berlin received the contents of 800 to 900 bomb bays.

Billows of flame swept through the city when the assault was finished. Crews of reconnoitering squadrons reported a very large area of fire, with smoke pluming 10 miles into the air.

Just before Berlin was hit, the RAF force of Lancasters made an attack on Frankfurt-on-Main, 50 miles east of Berlin, and squadrons bombed targets in western Germany and Holland. Mines were laid in enemy waters.

The heaviest previous raid on Berlin was on the night of last May 30, when more than 2,578 tons of British long tons were dropped within an hour.

The heaviest previous raid on the city was its attack on November 4, 1940, when more than 2,500 tons of bombs were dropped.

NATIONALISTS CAUSE CRISIS IN ARGENTINA

President Ramirez Apparently Left in Precarious Situation By Bloodless Coup

PRO-NAZI IN CONTROL

Montevideo, Feb. 16—(P)—A bloodless coup by Argentine nationalists who opposed that country's recent break with the Axis forced the Argentine foreign minister and two other state officials to resign yesterday and confronted the Ramirez government today with a grave crisis threatening to have far-reaching effects on its policies.

President Gen. Pedro Ramirez himself apparently was left in a precarious situation by the coup, engineered by a group of reactionary army officers who seized control of the foreign ministry while unknown Argentine citizens fanned themselves in the city streets.

The sudden turn of events caused Gustavo Martinez Zuviria, who had resigned earlier as minister of justice and education because of his opposition to the break with the Axis, to withdraw his resignation, advised from Buenos Aires said. Former Minister of Interior Gen. Luis Perlinger also was reported to have taken similar action.

Foreign Minister Alberto Gilibert, who was reported to have been willing to declare war on Germany in proof of the government's sincerity in breaking with the Axis, found the army officers installed in the ministry when he arrived there yesterday morning.

His resignation, along with those of Presidential Secretary Enrique Gonzalez, who controlled the press and radio, and of Foreign Undersecretary Oscar Ibarra Garcia were announced by the president's office last night.

The shakeup came amid indications that there were powerful forces at work to sabotage the government's attempt to implement the break with the Axis, which was decreed over the strong opposition of Col. Juan Peron and Col. Eduardo Avelos, Gou leaders.

One sign was the reappearance of the pro-Nazi newspaper Pampero under the new name of El Federal.

The pictures showed direct hits were scored on the buildings and the roads leading to them and on the ground adjacent to the erstwhile German stronghold overlooking besieged Cassino on the main Fifth Army front.

The American Air Force disclosed that four waves of Flying Fortresses hammered the monastery with "many tons" of high explosives and incendiaries. The last waves of bombers dropped the incendiaries and crewmen said the entire abbey hill was blazing furiously when they left.

Squadron Commander Maj. Bradford Evans, of Palo Alto, Calif., said the "top of the mountain looked like a volcano."

ARGUMENTS HEARD IN FAYETTE LITIGATION

Uniontown, Feb. 16—(P)—Arguments for a new trial for County Commissioner John W. Rankin and four former Fayette county officials having been completed after numerous delays yesterday, council for each side are to submit briefs by Tuesday.

The three county judges sat en banc to hear the arguments. Other defendants beside Rankin are former County Commissioners Arthur Higinbotham and Michael Karolick, and former Controller Albert Montgomery.

900 AT DESHON HOSPITAL

Butler, Feb. 16—(P)—The number of patients at Deshon general hospital has been boosted to 900 with the arrival of 200 new ones from Hampton Roads, Va. Col. C. J. Gentzkow, commanding officer, announced, Col. Gentzkow said about one half of the newcomers are medical and the others surgical patients.

Probe New Angle In Chicago Crime

Chicago, Feb. 16—(P)—A probationary policeman, whose hobby, police officers said, formerly was collecting guns, was questioned by detectives yesterday as they sought to trace the ownership of the old weapon used by the slayer of Mrs. Frank Starr Williams.

Chief of Detectives John L. Sullivan said the rookie officer appeared voluntarily for questioning after his name had been projected into the investigation when police questioned his two sisters two weeks ago.

One of his sisters was an employee of the Drake Hotel, where Mrs. Williams' wealthy wife of a State Department attaché was fatally shot January 19. Both were released after several days of questioning.

Chief Sullivan said the probationary policeman was interrogated on two different occasions under the so-called lie detector.

Reserve Stocks of Food May Become Economic Hot Potato

By OVID A. MARTIN

Associated Press Farm Expert

Washington, Feb. 16—Vast reserve stocks of food accumulated for emergency war purposes may become a political and economic hot potato this election year for those charged with the responsibility of allocating the nation's food supply.

It appears clear today that officials of the War Food Administration fully recognize the situation. They realize that every move relating to the distribution of food, particularly supplies from

the emergency reserve, will be subject to close scrutiny for any possible effect on the November election.

They know, too, that the food trade will be watching closely for a clue as to whether the war may end with price-depressing stocks over-hanging the markets.

(The reserve stocks, earmarked for a "contingency reserve," include supplies owned outright by the WFA, some being held by the food industry for the government, and some to be taken from production of the next several months.)

Army of 11,300,000 By July Predicted

Glen Ridge, N. J., Feb. 16—(P)—The necessity for an armed force of 11,300,000 men by July 1, 1944, is foreseen by Gen. Lewis B. Hershey, National Selective Service director.

To accomplish this, the armed forces will need 1,500,000 men by July 1, Hershey told the Glen Ridge Battalion Forum last night. Pre-Pearl Harbor fathers, youths reaching 18 and men released from war industries will supply the quota.

Although the mustering out of servicemen for disability has increased demands on draft boards, Hershey said, the demands will be met.

Film Comic Is Exonerated In Paternity Test

Blood Test Proves Conclusively Chaplin Did Not Father Joan's Baby

GIRL IS UNAVAILABLE

By JAMES LINDSLEY

Los Angeles, Feb. 16—(P)—Charlie Chaplin's slim shoulders weighted beneath a series of criminal and civil actions, were relieved today of one burden—red-haired Joan Berry's charges that he is the father of her four-month-old daughter.

Counsel for Chaplin and Miss Berry accepted the verdict of a medical board that the 54-year-old British-born actor did not father the youngster, as she alleged in a paternity suit against him.

"Under the terms of our stipulation the decision is conclusive," said J. J. Irwin, attorney for Miss Berry, 24, who bore the baby, Carol Ann, last October. "We must and will abide by the doctors' decision."

Chaplin had denied paternity but paid Miss Berry some \$15,000 for medical expenses and agreed to undergo a blood test to settle the matter.

Irwin added that Miss Berry "is not available for comment and is in no condition to comment in any case."

The white-haired film comic, under federal grand jury indictment for alleged Mann act violation involving Miss Berry, was cleared of the paternity charge when three doctors yesterday made blood tests of Chaplin, Miss Berry and the baby and unanimously agreed that the actor could not have been the father.

BARBER IS ON TRIAL FOR ASH TRAY MURDER

Pittsburgh, Feb. 16—(P)—Carmen Marmarosa, 38-year-old barber charged with the murder of his wife, Helen, 35, was described by Attorney Louis Little in opening the defense as a man "under treatment for a serious disease" and "in a state of melancholy" for three months prior to the slaying.

Mrs. Marmarosa was beaten to death with a heavy smoking stand last Sept. 2, Assistant District Attorney Earl R. Jackson in asking for the death penalty told the jury of nine women and three men the barber premeditated the killing "because he had time to think before he grabbed the tray."

British Ship Breaks Up Off Maine Coast

Portsmouth, N. H., Feb. 16—(P)—Twenty-five members of the crew of 45 on a 724-ton British freighter were lost when the ship piled onto Boon Island ledge, about 12 miles off York, Me., in a driving blizzard Friday and split in two, the First Naval District Public Relations office disclosed today, with approval of the British admiralty.

The motor vessel crashed onto the rock at 2:33 p. m. and, pounded all night by terrific seas, broke up Saturday morning, with the forward half remaining fast on the ledge and the aft half floating crazily away to sink later, Chief Engineer Svend Haagenes related in an interview.

Rescue ships stood by, but could not get close enough to take off the men. The rescue craft, including coast guard and U. S. naval vessels, rendered daring service, however, in picking up survivors from the tempest-ridden seas. Thirteen bodies were recovered later.

FLOOD CONTROL BILL OFFERED BY GAVIN

Washington, Feb. 16—(P)—A bill to authorize flood control projects at Ridgway, Johnsonburg, St. Marys and Brockway, all in Pennsylvania, was introduced in the Senate yesterday by Rep. Gavin (R-Pa.).

The bill, HR 4193, would amend the 1938 flood control act to include the Pennsylvania construction.

22,000 JAPS ISOLATED IN BOLD SEIZURE

In Wake of Swift New Island Landings MacArthur Announces End of Solomons Campaign

BLOCKS SUPPLY LANES

By MORRIE LANDSBERG

Associated Press War Editor

In the wake of swift new island landings, General MacArthur announced the end of the 19-month-old Solomons campaign today but declared that in order to assure final victory in the Pacific "we must defeat Japan's army."

American and New Zealand troops moved into the Green Islands Monday and Tuesday in a surprise operation which MacArthur said isolated 22,000 Japanese in Bougainville, Buika, Chaisel and the Shortlands from their sources of supply at Rabaul, New Britain, 120 miles to the west.

Gen. MacArthur said: "For all strategic military purposes, this completes the campaign for the Solomon Islands."

As for the trapped Japanese troops, the southwest Pacific commander noted the naturalization of the enemy's northern Solomons airfields and blocking of the barge supply traffic from Rabaul, and declared "their ultimate fate is sealed."

In a special statement issued eight hours after his communique, General MacArthur asserted, however, that Japan cannot be defeated through blockade and bombing alone.

Admiral Chester W. Nimitz, commander-in-chief of the Pacific fleet, expressed belief recently that Japan would have to be defeated from land bases in China.

Still, there was no letup in the regular air pounding at key Japanese positions in the southwest Pacific, and if the Seabees who landed in the Green Islands follow their Solomons pattern, there soon may be a new Allied airfield within easy striking distance of those bases.

The deteriorating enemy stronghold of Rabaul was attacked again Monday, with 171 tons of bombs strewn on its three airdromes. Eight planes were destroyed on the ground, and between seven and 12 of 40 interceptors shot down. We lost three fighters.

On nearby New Ireland, heavy bombers dropped 113 tons of bombs on Kavieng and Panapai airdromes without interception, and Momote airdrome in the Admiralty islands was pounded with 90 tons for the second straight day.

Cherkasy Death Pocket Being Whittled Down By Russians; Claim 50,000 Nazis Trapped

London, Feb. 16—(P)—Gen. Leonid A. Govorov's Leningrad army pressed closer to historic Pskov today as other Red army forces steadily whittled down the Cherkasy death pocket in the upper Dnieper bend, where, the Russians said, some 50,000 Nazis were fighting a last-ditch battle against overwhelming odds.

Capture of Pskov, hub of trunk lines serving an immense area to the south, west and east, would set up the beginning of a potential entrapment circle for those Germans holding positions between Lake

Ilmen on the north and Novosokolniki, 120 miles to the south, their escape avenue then would be cut to a 120-mile-wide gap between Pskov and Novosokolniki.

Moscow dispatches said that Govorov hoped to be in Pskov by February 25, the anniversary of the Red army's official birthday. It was at Pskov and at Narva, further north in Estonia, that the Russians in 1918 smashed a German force, and the Red army counts its inception from that date.

Govorov was well on his way yesterday. A Russian communique said his troops storming down the Leningrad-Pskov railway from Luga captured the railway station of Serebryanka, 15 miles southwest of Luga, and the highway town of Gdovsk, a few miles east of Serebryanka. Spearheads of this force then battered their way into the town of Kalutitsky, 16 miles south of Luga and 75 miles northeast of Pskov.

Another Govorov column, pounding down the Narva-Pskov railway along the eastern shore of Lake Peipus, overran several towns, routed an enemy regiment and captured many prisoners, the Moscow bulletin said. Russian advance units on this sector were last reported at Polna, 47 miles north of Pskov.

German transport was reported in hopeless confusion, as the retreating Nazis were forced off the main roads by Soviet artillery fire and bombing attacks.

More than 1,000 German troops were killed and 40 towns and villages captured during the day, the Russians declared.

At the Cherkasy pocket, repeated German attempts to break the Russian cordon around the trapped Nazis were reported beaten off and 60 tanks destroyed by Russian gun fire.

The fighting increased in intensity as American soldiers who already hold one-third of the town, continued the methodical destruction of house after house which the Nazis have converted into miniature fortresses.

The hull in ground fighting in the beachhead continued, the communique reporting only patrol clashes in the Cisterna and Carroceto (Aprilia) areas.

Headquarters said Carroceto was in German hands. Fierce fighting has swirled in this neighborhood, with hand-to-hand combat changing hands four times. Allied forces had pushed four miles north of Carroceto to the outskirts of Campoleone, 14 miles (Turn to Page Seven)

House Studies \$231,304,700 In Allocations

Appropriations Committee Sends Legislation For Three Departments

VOLUME OF TESTIMONY

By WILLIAM ARBOGAST

Washington, Feb. 16—(P)—The house appropriations committee sent to the floor today legislation appropriating \$231,304,700 for the state, commerce and justice departments for the fiscal year starting next July 1.

The total was allocated in this manner: State Department, \$44,234,500; Justice, \$116,477,200; Commerce, \$70,593,000. The aggregate was \$5,987,700 below budget estimates.

The legislation was accompanied by almost 1,000 pages of printed testimony from high-ranking officials charged with the task of directing a far-flung service and at the same time coping with war-born problems at home.

From Secretary of State Cordell Hull, who told the committee at one point that it was "too late in life for me" to join "the bureaucrats," came a warning that the war is not "all over but the shouting."

From Commerce Secretary James C. Jones came a statement that much of the \$2,700,000,000 invested by the government in airplane and engine parts will have to be written off as a dead loss, and from J. Edgar Hoover, head of the FBI, the admonition that

(Turn to Page Seven)

SCARLET FEVER VICTIM

Uniontown, Feb. 16—(P)—The first fatality in an outbreak of scarlet fever which began in Fayette county Jan. 6, was reported yesterday with the death of Frederick F. Sharp, 6. The child's three brothers all are recovering from the malady.

Local Committee Expects the County To Meet Bond Quota

Did we make it? How much did we go over? When shall we have the definite figures?

These are the questions the members of the Warren County War Finance Committee are asking each other today.

The answer is: "We don't know!" Every one of the nineteen counties in the Fort Pitt area is asking the same question and, pending receipt of official figures from the Federal Reserve Banks of Cleveland and Philadelphia, the results cannot be announced locally.

However, the local committee states that it fully expects Warren county to reach its quota of \$3,504,400 and to slightly exceed that amount. The sales of bonds to Corporations have more than fulfilled expectations but, like most of the country, the sales to individuals have been disappointing. Consequently it is hoped that even though the figures during the next few days may show that Warren county has reached its quota there will be no let-up between now and February 29th in the purchase of Series E, F and G Bonds by every

one who can buy an "extra" bond to "Back the Attack."

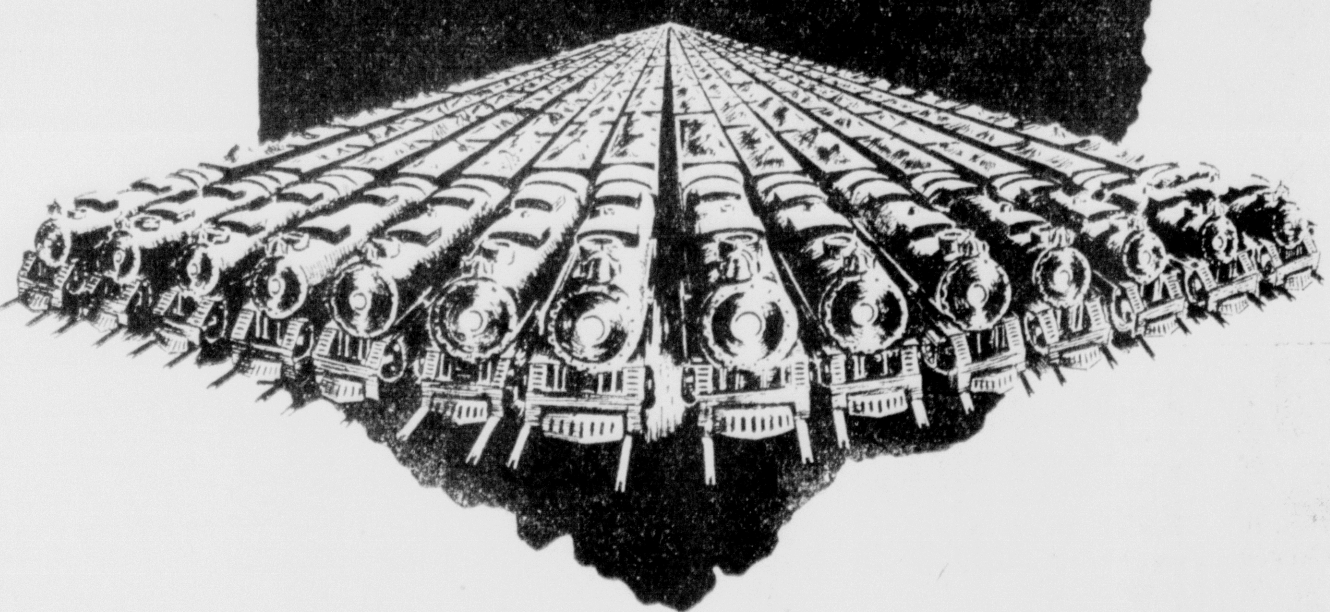

Washington, Feb. 16—(P)—The \$14,000,000,000 Fourth War Loan Drive is over the top by at least \$191,000,000.

Although the drive ended at midnight last night, all purchases by individuals reported to Federal Reserve banks during the remainder of the month will be counted toward the final total to be announced on March 2.

Individual purchases yesterday still were more than \$1,800,000,000 short of their \$5,500,000,000 quota.

Pittsburgh, Feb. 16—(P)—Western Pennsylvania lagged almost \$50,000,000 behind its \$3

Ohio's Bulk Lime Dividend, 1941-3 145 trainloads of 80 cars each

Ohio Farmers Saved Uncle Sam \$2,328,000 on BULK LIME in 3 Years

In the period 1941-43, farmers in Ohio used over 2,328,000 tons of lime on the Conservation Program. A negligible part (less than 5%) of this was sack lime. It was practically all BULK lime, shipped in open-topped cars and trucks, put on the soil with spinner-type spreaders, or manure spreaders, or shoveled by hand from trucks and wagons.

Figuring that sack lime averages a dollar a ton higher than bulk lime, you see at once that bulk lime saved Uncle Sam at least \$2,328,000 last year in Ohio alone.

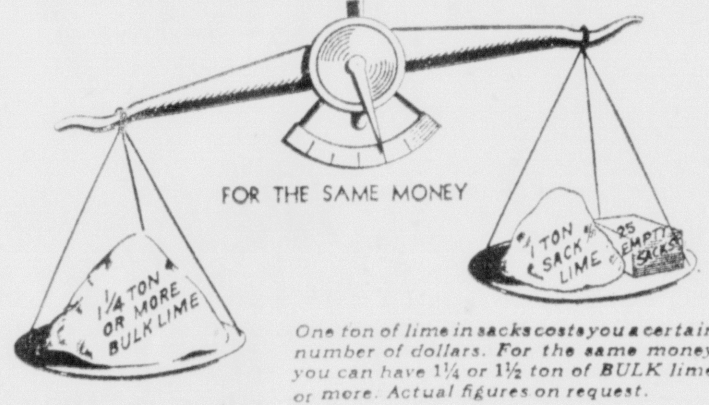

Or to put it another way, for the \$7,000,000 which the government paid for lime in Ohio in these three years, the farmers received approximately 580,000 tons more lime by buying it in bulk than they would have gotten in sack lime. That's 33 1/2% more lime for the same money—and 33 1/2% more benefit to the soil.

Pennsylvania Farmers can have that lime dividend for the asking—in lime just as good for sweetening the soil, just as pure, just as finely ground, just as rich in oxides.

BASIC DOLOMITE, INCORPORATED

723 HANNA BUILDING • CLEVELAND 15, OHIO

FOR THE SAME MONEY

One ton of lime in sacks costs you a certain number of dollars. For the same money you can have 1 1/4 or 1 1/2 ton of BULK lime or more. Actual figures on request.

Divisional Chairman Named For Coming Red Cross Drive

Divisional chairman for the annual American Red Cross War Fund have been appointed for the drive which will be conducted in March. Most all of those selected are seasoned workers from previous successful campaigns and will know how to recruit able assistants to help the local Chapter of the American Red Cross reach its goal of \$44,200. The national goal this year is set at \$200,000,000; the largest war fund the American Red Cross has been asked to raise.

Heading Division "A" which will solicit Industries and Special Gifts will be C. T. Conarro, Chester S. Allen and H. H. Elmquist. Division "B", Commercial and Business Houses will be in charge of E. H. Ley and B. V. Lesser. The important Division "C", which will have charge of the residential area, will be led by Mrs. E. G. Hamilton. To this division will fall the painstaking work of solicitation of all residential districts.

Chain and national stores will be headed by L. F. Morlock in his capacity of chairman of Division "D" while John G. Rossman of Division "E" will be in charge of Government and School Employees. Division "F", Clubs and Associations, will be directed by Walter T. Kiser; with Division "G", the important County organization under the able leadership of Ray S. Thompson.

War Fund Chairman, Allison D. Wade, stated this morning that he was highly gratified at being able to secure the assistance of these workers and felt that they would, in turn, secure co-workers who would go "all out" to put the campaign over in the shortest possible time. Tentative plans call for the campaign to be under way March 13th with the closing date to be March 22nd.

TIMES TOPICS

WOMAN IN DISTRESS

Firemen were called to 900 Pennsylvania avenue, east where a woman had locked herself out of her home. A ladder and entry through a second floor window soon had the door open and the difficulty overcome.

HAS DECLARED DIVIDEND

Directors of the Sylvania Electric Products, Inc., on Tuesday declared a regular quarterly dividend of 25 cents per share on the outstanding common stock payable April 1, 1944, to stockholders of record at the close of business March 21, 1944.

CO-OPERATION ASKED

Firemen ask that persons of the city when they shovel snow do not pile it around the fire hydrants. Connection to a hydrant must be made with all speed and if it is necessary to dig out from under the snow difficulty is met with and valuable minutes lost. A little thought given to this matter will be appreciated by the firemen.

HAULING AWAY SNOW

Trucks of the Street Department of the borough have been busy today hauling away snow from the curbs in the business section. Police set no parking signs along the curbing to keep automobiles from interfering with the work under way. The snow is dumped into the mill race at various points where the edge of the race is accessible.

WOMEN WORKERS WANTED

Wanted! Women to do sewing for the War Effort at the Salvation Army, 218 Pennsylvania avenue west on the street floor. This is an opportunity for women to help on the Home Front. The Salvation Army is making layettes for the wives of Service Men in Warren and Warren county. They are also knitting such articles as sweaters, helmets, ear-muffs, and gloves. The ladies meet every Thursday afternoon at 2:00 p. m.

VICTORY SHIPS TOP LIBERTIES

Designed by the U. S. Maritime Commission as an improvement over the much publicized Liberty ships, the newer Victory ship is both faster and sleeker, making 15 knots, about 4 knots faster than the Liberties.

Blood Bank Has Successful Visit In Warren

The American Red Cross Blood Bank which has been at the Municipal building the past two days left this morning for Kane after one of the most successful and satisfactory visits yet made in Warren.

A checkup shows that 199 donors gave a pint of blood each Tuesday, making a total of 394 pints for the two days. Among donors yesterday were delegations from Tidioute and Grand Valley. The next visit of the Blood Bank to Warren will be Monday and Tuesday, March 20 and 21.

One army Ordnance M-7 tank destroyer is credited with knocking out 18 German tanks in North Africa and seven in Sicily.

Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12; 2 to 5 and 7 to 9 p. m.

MRS. W. L. MARTIN

The funeral of Mabel Rhoades Martin, wife of Pvt. William Lee Martin, of Blokt, Miss., was held at the Lutz Funeral Home Tuesday afternoon, conducted by Rev. Floyd Strunk, Seventh Day Adventist minister of Kane, and followed by interment in Pine Grove cemetery at Russell. The following acted as bearers: Pvt. James Miller, Eddie Stites, Jack Nesselhauf, Robert Harrison, Cpl. Paul Nelson and Robert Gleason. Mrs. and Mrs. Robert Gleason sang "Ivory Palaces."

Those who came from away to attend the rites were Peter, John and Frank Gustafson, Tidioute; Mr. and Mrs. Eugene Linder and family, Mr. and Mrs. Roy Bloom, Mr. and Mrs. Ted Gustafson, Harry Gustafson, Mrs. August Gustafson, Tidioute; Mr. and Mrs. Warner Nyberg, Mrs. Rindinelli

and daughter, Irvine; Mrs. John Nesselhauf, Jack Nesselhauf, Mr. and Mrs. Louis Martin, Mr. and Mrs. Robert Brugger, Erie; Pvt. James Miller, Camp Miles Standish, Mass.; Cpl. Paul Nelson, Kentucky; Mrs. Lloyd Anderson, Mr. and Mrs. Lonnie Standish, Jamestown, N. Y.

ANNA MARGARET KNABB

Mrs. Anna Margaret Knabb, widow of Charles Knabb, died at 12:25 a. m. today at the home of her daughter, Mrs. William Leuthold, 14 Russell street. She had been in failing health for some time. She was born here October 7, 1875, and had spent her entire lifetime in the community. She was a member of First Lutheran church and affiliated with its Ladies' Aid and Missionary Society.

Besides Mrs. Leuthold, she leaves the following children: Albert H. Knabb, Swarthmore; Mrs. Fred Midgale, Belleville, N. J.; Mrs. Donald McComas, Mrs. Everett Siefert, Warren; C. Gretchen Knabb, Cleveland, O. Also surviving are six grandchildren; one brother, George J. Shanz, Warren.

Removal has been made to the Peterson Funeral Home, where friends may call. Funeral arrangements have not been completed and will be announced later. Friends are asked to kindly omit flowers.

EMMA SOPHIA WESTLING

Funeral services in memory of Mrs. Emma Sophia Westling were held at her home, 1916 West Fifth avenue, at three o'clock Tuesday afternoon. Rev. Wayne Furman was assisted by Rev. J. W. Anderson, of Butler. The latter, with Mrs. Mabel Heald, sang a duet, "The Last Mile of the Way". Interment was made in Oakland cemetery with the following acting as bearers: Ned Johnson, H. S. Lundahl, Clarence Hultman, Gene Durlin, H. C. Brunne and Oscar Larson.

TIMES TOPICS

ARE FEEDING GAME

Members of the Field and Stream Club have been doing some feeding of small game during the past few weeks and at the Sunoco Service Station they have a model corn crib which is kept filled most of the time and from which members take feed out to the woods. The snows have prevented birds and small game from getting feed and the feeding program has doubtless been of value. At the last meeting of the organization Game Protector Norris reported that deer in some sections of the county were in need of feed as they were starving. However now a program of extensive feeding of deer has been undertaken. It is said that until a thaw comes and then a crust freezes on the snow the deer will not be unable to find their own feed by pawing under the snow.

COMMENDABLE PROJECT

Gilbert Peterson, one of Sheffield's progressive merchants and sportsman is setting an example to residents of the county that is really commendable. He has undertaken the erection of about ten cabins on Four Mile creek which will be available to sportsmen and campers at all seasons of the year. Work on the cabins was started last fall and they were hardly complete when the hunting season came along. Mr. Peterson had only installed stoves, etc., and there were not many beds or other equipment. However all of the cabins were rented and more could have been. It is reported that others in the county are planning hunters and fishermen can be lured to the area and enjoy hunting on building cottages on varnished and furnished. The Allegheny National Forest is one of Warren's greatest assets if properly developed.

TIMES TOPICS

NINE WERE KILLED

In a report put out by the State Revenue Department it is shown that deaths from auto accidents in this county were the same in 1943 as in 1942 and that nine persons were killed in each year. Of this number, in 1942, six were killed in the rural section and in 1943 seven were killed. In the borough in 1942 there were three killed and in 1943 there were only two met death.

POLIO FUND GIFT

The Zonta Club Infantile Paralysis Fund treasurer, Mrs. Marjorie Dougherty, reports, she received another special contribution on Tuesday and it is still hoped that the quota of \$1,500 set for this year may be attained. Anyone missed in the tag days and wishing to contribute to this worthwhile project may send a gift to Mrs. Dougherty at her office in the city building.

**Another Open Rehearsal Plan
Sponsored By Struthers-Wells**

The open rehearsal sponsored
by the V. F. W. Band last month
proved so popular with all those
attending that it has been decided
to continue the series.

The next open rehearsal will
be held Thursday night, February
24, and will be sponsored by the
Struthers-Wells Band.

The Struthers-Wells Band is
been organized just about two
years ago. Since its organization,
there have been many changes.
Two of its former directors are
now in the armed forces, and
with enough former members to
form an excellent band. However,
despite the large part of the or-
iginal membership now with the
armed forces, the current mem-
bership closely approximates that
present at the first rehearsal re-
ported in this paper, namely,
twenty-one men.

This band has appeared in every
patriotic parade held in Warren
since its inception. It also served
for over a year in sending off
every group of selectees to leave
during that period, despite the
early hour, and weather which
was not always "fair and warm-
er". This practice was discon-
tinued only recently, when condi-
tions made it impractical to con-
tinue the custom. In addition, it
has performed on a number of
occasions for intra-company ac-
tivities, so that the band has had
quite a bit of activity.

**Dollar Days
Offer Values
Of Rare Worth**

Friday and Saturday of this
week Warren's business section
will see another of the crowds that
gather each time Dollar Days are
announced. The Warren mer-
chants have won an enviable repu-
tation for the bargains offered on
the Dollar Days as they have al-
ways given the buyers some ex-
ceptional values on these days.

This year as usual most of the
merchants are taking part and
although some of them are not
calling their sale a Dollar Day due
to the fact that they are includ-
ing all departments in their stores.
This will increase the value of the
offerings and will doubtless bring
in many additional buyers.

Reports from the stores are to
the effect that they are giving
much thought to the sales of Fri-
day and Saturday and are care-
fully preparing their offerings in
order that some sensational val-
ues may be given.

The Times-Mirror, as usual, is
participating in the Dollar Day
values with the generous offer
whereby subscribers can save a
substantial sum on their subscrip-
tion.

For a while after its organiza-
tion this band devoted its efforts
to martial music, since, with the
war fresh in everyone's mind,
there was a distinct martial flav-
or to most activities.

During the past year there has
been a noticeable trend away
from the parades which marked
the early phases of the war, and
patriotic rallies have been fewer.
In keeping with this trend, the
Struthers-Wells Band, while still
extending its repertoire of martial
and patriotic music, it has placed
an increasing emphasis on popular
types of concert music. It is ex-
pected that the public will have
an opportunity to hear some of
this in the not too distant future,
although concerts have been dif-
ficult to schedule with the band
members busily engaged in war-
time work, with many of the men
on the night shifts.

The coming open rehearsal will
be held in the Struthers-Wells
Band room. This is in the shop
building, at the corner of Penn-
sylvania Avenue and Chestnut
Street. Entrance is by way of the
personnel office, at the Chestnut
Street door.

The rehearsal will begin promp-
tly at 7:30 p. m., continuing two
hours, after which refreshments
will be served and an opportunity
provided for a get-together.

It is hoped that all interested
musicians will mark this date,
Thursday night, February 24, and
arrange to be present to sample
the music and to "meet the gang."

There are 700 college and 70
high school correspondence cour-
ses available to servicemen and wo-
men at half price.

HEALTH QUIZ

Do you have poor digestion? ☐ YES ☐ NO
Do you feel headachy after eating? ☐
Do you get sour or upset easily? ☐
Do you feel tired—listless? ☐

Now everyone knows that to get the good
out of the food you eat—you must digest
it properly. But what most people don't
know is that Nature must produce about
two pints of the digestive juice—liver
bile—each day to help digest your food.
If Nature fails—your food may remain
undigested—like sour and heavy in your
digestive tract.

Thus, it is simple to see that one way
to aid digestion is to increase the flow of
liver bile. Now, Carter's Little Liver
Pills start to increase this flow quickly
for thousands—often in as little as thirty
minutes. When bile flow increases, your
digestion may improve. And, soon you're
on the road to feeling better—which is
what you're after.

Don't depend on artificial aids to coun-
teract indigestion—when Carter's aid
digestion after Nature's own order, when
taken as directed. Get Carter's Little
Liver Pills today—at any drugstore—
only 25c. You will be glad you did.

**MEN AND
WOMEN IN
SERVICE**

Mrs. Elmer Munksgard, Cres-
cent street, has received word that
her son, Jimmy, seaman first class,
has arrived safely at an overseas
destination.

Lacy Johnson, who has just
completed his course of training at
Madison, Texas, and has been
given the rank of second lieuten-
ant, arrived home this morning for
a week's leave with his parents,
Mr. and Mrs. Alfred Johnson,
North Marion street. He will re-
port back to Moore Field for fur-
ther assignment.

Mr. and Mrs. Frank Montore, of
Clarendon, have just had word
that their son, Sgt. Samuel Mon-
tore, who has been at Fort Dix, N.
J., has arrived safely at an over-
seas destination. His brother, Pvt.
Joseph Montore, is already in Aus-
tralia.

Pfc. Howard L. Clark, who has
completed his boot training at
the U. S. Marine Corps depot at
Parris Island, S. C., left last even-
ing for sea school at Portsmouth,
Va., after a week's furlough at
home with his wife and son, 107
Myrtle street.

Mr. and Mrs. Harry Archbold,
of Pittsfield, have had word of
the safe arrival overseas of their
son, Cpl. Donald Archbold, who
has been stationed at Municipal
Airport, Aiken, S. C.

Aviation Cadet Neil A. Johnson,
son of Mr. and Mrs. Adolph F.
Johnson, of Ludlow, is home on
ten-day furlough after completing
his pre-flight training at Maxwell
Field, Ala.

John L. Frontera, former flight
instructor in the enlisted reserve,
has been called to active duty in
the AAF and left Monday for
Greensboro, N. C., training center.

Mrs. Vernon Evans, 120 Pennsylv-
ania avenue, west, has received
word that her son, Sgt. Charles E.
Shreve, has been promoted to the
rank of staff sergeant at Camp
Pickett, Va., his second promotion
in two months.

Jack Smith, hospital apprentice
second class at the new naval hos-
pital in Bethesda, Md., visited Sun-
day with his parents, Mr. and Mrs.
Vern Smith, of North Warren.

Pvt. Merle Seymour, in the
clerical department at Greens-
boro, N. C., has arrived home for a
15-day furlough with his parents,
Mr. and Mrs. Alva Seymour, 127
Russell street, and other relatives.

Friends of Wendell Martin Ham-
lin, son of the Rev. and Mrs. Mar-
tin Hamlin, will be interested to
know that he received the rating
of seaman first class upon com-
pletion of his course as naval
aviation ordnanceman at Mem-
phis, Tenn. He is remaining at that
station for further study dealing
with radar.

Ration Roundup

As of February 14

Mr. and Mrs. C. R. Hooven, of
Youngsville, have received word
from their son, Lt. Norris S.
Hooven, that he has arrived safely
in North Africa. He received his
pilot's wings and commission at
Luke Field, Ariz., July 28, 1943,
and has since received advanced
bomber training at Biggs Field,
El Paso, Tex., and is checked out
as co-pilot in the crew of a B-24.

Mrs. John Waples has received
word that her husband, Pvt. Wap-
les, who was inducted February
14, has been assigned to Camp
Butner, S. C. He is the son of Mrs.
Anna Waples, 304 Pennsylvania
avenue, east.

SHEFFIELD NEWS

Sheffield, Feb. 12—Wilford The
Wizard, in person, presents a
large number of unusual feats of
magic and spiritualistic illusions.
His running comment accompanying
his manipulations is very en-
tertaining, giving his hearers
many side splitting laughs. A
small fee will permit all pupils and
adults to attend this show at the
High School auditorium, Wednes-
day afternoon at 2:45 o'clock.

The Lincoln School Mother's
Club will not meet this week Wed-
nesday as announced, but will
meet Wednesday afternoon, Feb-
ruary 23rd.

Lt. Alice C. Nelson and Captain
Lorraine Anundson are destined
soon for overseas service accord-
ing to word received by their fam-
ilies.

Miss Edythe Curtis of Roches-
ter, N. Y., spent the week-end with

Meats, Fats, etc.—Book Three
brown stamps, V, W, X and Y
valid through February 26.

Processed Foods—Book Four
green stamps G, H and J good
through February 29; stamps K,
L and M good through March 20.

Sugar—Book Four stamp 30
valid for five pounds through
March 31; stamp 40 valid for five
pounds for home canning through
February 28, 1945.

Shoes—Book 1 stamp 18 good
indefinitely; stamp 1 on the "air-
plane" sheet of book three valid
November 1 and good indefinitely.

Gasoline—In northeast and
southeast, 9-A coupons good for
three gallons February 9 and are
good through May 8. Elsewhere,

PAPER SALVAGE

The paper salvage quota for 1944 is going to be short by 2,000,000 tons at the present rate of collection, we are told by Gen. Brehon B. Somervell, chief of the Army Service Forces. And that is more alarming than you might think.

"Our whole war economy is built on paper," says WPB Chief Donald M. Nelson. And he doesn't mean OPA forms or the inter-office memoranda of government agencies. He is talking about the vital war uses to which paper is put—dozens of them, from plasma containers to bomb fins.

Now, the collection of the 8,000,000 tons of paper needed this year is a tremendous task. But there is no reason why all of it has to be of the waste variety. Some of it could just as well be salvaged before it is used, with a consequent saving of money, labor, time and transportation.

The government has already started to do a job of eliminating its bureaus' needless publications and releases. And it would seem that there are a few civilian items that we could bravely sacrifice, and still struggle through to victory. We might, for example, dispense with such things as—

- Colored calendars, with a picture about five feet by three feet, and a calendar measuring five by three inches.
- The dust jackets on books.
- Double-sheet greetings cards.
- Paper noisemakers.
- The thick, slick-paper house organs of ritzy hotels.
- Paper doilies.

And how about Congress giving us a tax law that will cut Form 1040 down to one sheet?

FORM 1040

As March 15 draws ominously nearer, the mailmen stagger under the weight of Form 1040, Treasury Department, Internal Revenue Service, the longest and most complicated income tax return ever sent out to taxpayers in the United States.

Four pages of instructions, with much small type, are needed to explain the form. Separate computations are required for Victory and Income Taxes, each with a separate schedule of charges and exemptions. Because of the shift last year to "Pay As You Go," income must be reported both for 1942 and 1943.

Some men and women, familiar with the annual intricacies of tax returns, may possibly negotiate successfully the added complications. But there will be ten million to whom the whole procedure is a novelty, the wives of service men now for the first time earning their own livings, workers whose incomes have been lifted by the war into the taxing brackets and many others. To these, if not to all of us, 1040 will spell confusion worse confounded.

The answer, of a lot of them, will be at the Collector's Office, where help will be available in making out the form. But, in the whole United States, there are just 8500 Deputy Collectors of Internal Revenue and the bureau has only 12,500 other employees competent to assist. The last day's jam at the Collectors' desks will be historic. There is no complexity in drawing the conclusion. If you need your local bureau's help in filing, go early and avoid the rush.

MONASTERY BOMBING JUSTIFIED

No reproach attaches to the United States Fifth Army for the distressing necessity of bombing and shelling the Germans out of the ancient Benedictine Monastery atop Mount Cassino. The Hitlerites were holding up the Allied offensive, and were taking American lives, by utilizing the building for military purposes. We held our fire as long as possible, and then had no alternative but to shoot.

That's an old Russian trick. Europe is strewn with churches and cathedrals which through two wars the Germans either wantonly destroyed or brought to ruin by utilizing them as military posts. In view of this, one wonders what may happen to the priceless relics of Rome if we lay siege to the capital.

Certainly if it suits Hitler's evil purposes, this anti-Christ won't hesitate to use the churches as shelter for his troops. That would present Allies with a tough problem.

Congratulations to the Warren High School Dragons and officials on having won the last home game in Section two, and best of luck when they meet Franklin to decide the winner March 3rd.

Speaking of Foolish Questions

ARE YOU A MEMBER OF THE PRESIDENTIAL FAMILY?

WHAT DO YOU THINK?

WASHINGTON CORRESPONDENTS

Washington in Wartime

By JACK STINNETT

WASHINGTON—Buried in the annual report of Secretary Ickes to Congress on the activities of the Interior Department is a little section to which Hawaiian delegate Joseph R. Farrington has called my attention and it is well worth passing on.

It is a dry but potentially dramatic account of how Hawaii has weathered its second year of war. It is the chief base of operations for the northern and mid-Pacific. It is the headquarters of Admiral Chester W. Nimitz and a great channel for supplies and men moving into the Pacific area.

In spite of the fact that it has not been attacked since Pearl Harbor, it is the heart of operations in that area and under constant threat should the Japs decide to correct their great strategic error of two years ago and try to knock it out of the war.

Only by occasional word of mouth have the stories drifted back how the residents of Hawaii have rallied to the repair of damage done on Pearl Harbor day; to strengthening their defenses and to making the islands our great springboard for the offensive.

IT IS impossible to tell the whole story now, but some of it can be recited and behind that recitation can be read the courage and energy of a civilian population that has for two years had war on their very door step.

The civilian population has been immunized against diseases; finger-printed; furnished gas masks and trained for fire-fighting; first aid; gas defense, and block patrolling to an extent that would make the efforts of our coastal cities most vigorously active in civilian defense seem trivial.

According to Mr. Ickes, the whole territory is now honey-combed with bomb shelters and all vital civilian installations protected against damage. Emergency hospitals, first aid stations, evacuation camps, kitchens, food storage places, etc., dot the entire territory.

These are manned by civilian volunteers and nurses by the hundreds and many have completed courses that qualify them as experts.

In the matter of food, Hawaii is more nearly self-sustaining today than ever before. Many of the big sugar and pineapple plantations have been converted to crops for domestic consumption. The local vegetable supply has been doubled in the last year and enough feed grown to maintain the meat supply at pre-war levels.

THE problems of housing, sanitation, garbage disposal, hospitalization, juvenile delinquency, crime prevention, and disease control have been tremendous but most of them, according to Mr. Ickes, have been completely or nearly whipped.

Four epidemics—mumps, whooping cough, poliomyelitis and influenza—were brought under control without reaching an important death rate and the constant fight against tropical diseases brought in by troops moving out of the battle areas has held those illnesses to a minimum.

Business has been good and inflation far better controlled than even the most optimistic thought it could be.

The restoration of civil affairs to civilian authorities early last year has, Mr. Ickes says, been one of the great morale factors. Hawaii, put to the test, has not been found wanting.

Time-Tested Advice About Chest Colds!

Grandma Was Right Time Has Proved It

Today, the first choice and family standby for relieving miseries of colds in millions of homes is the same home-remedy grandma used . . . Vicks VapoRub! What better recommendation could a product have!

When you rub time-tested VapoRub on the throat, chest and back at bed-time it starts to work 2 ways at once—and keeps on working for hours to relieve coughing spasms and congestion in the cold-clogged upper breathing passages, to ease muscular soreness or tightness, as it invites restful sleep . . . that's why VapoRub is so good to use when colds strike.

Hollywood Gossip

By ROBBIN COONS

HOLLYWOOD—The old Hollywood "build-up" plays funny tricks. Consider the Haymes boys—Dick and Bob.

Dick has had the build-up. Bob hasn't. After one heck of a time trying to crash the movies, Dick gave it up and became "king of the juke boxes" instead. With that tag, a natural for exploitation, Dick came to Hollywood by invitation, was cast in an important picture ("Four Jills in a Jeep") and gained a contract in consequence—for other important pictures.

Two years younger, Bob Haymes had followed the same pattern pretty much. He sang with bands, made recordings with them. He was at the local Coconut Grove with Freddie Martin's outfit when pictures took him—but not with fanfare. Bob went into "B" pictures, one of the less likely players for a talent to be discovered by Hollywood, though the fans do look there. Bob was plugging away in pictures when Dick was making his records for the "juke." So now what? You mention Haymes and most fans think of Dick.

That may change, though. Bob Haymes has an air show now, and a spot in an "A" picture at last—with Edward G. Robinson in "Mr. Winkle Goes to War." He'll sing two songs, one a proved hit from years back, "Let's Fall in Love."

INCIDENTAL note: In "Mr. Winkle" Robinson, the off-screen art collector, plays a hen-pecked bank teller with a yen to work with tools—a Mr. Fixit. Actually Robinson always hits the nail on the thumb, can't repair a leaky washer. But the fellow who can, whose hobby is tearing his car apart and putting it together again, is crooner Haymes. . . .

IRONICAL casting: Lana Turner in "Marriage Is a Private Affair." . . . But it would be just as funny with any other movie star. Which reminds me: had lunch with Jennifer Jones and Robert Walker the other day. Though no longer working at their marriage, they were playing sweethearts in a movie. Jennifer is beautiful and Bob is handsome, and they act like the best of friends, sometimes swing along the studio streets holding hands warmly enough to send a gossip writer chattering to the wires. They're both nice youngsters, have a couple of fine boys and neither's career is overshadowing the other's. Maybe all they need is a good spanking, but it's a funny thing—all during lunch they didn't ask any advice for the love-love and, heck, if they had, I'd have been fresh out.

LEMEN JUICE RECIPE CHECKS RHEUMATIC PAIN QUICKLY

If you suffer from rheumatism, arthritis or neuritis pain, try this simple inexpensive home recipe that thousands are using. Get a package of R-U-X Compound, a one-week supply, today. Mix it with a quart of water, add the juice of 4 lemons. It's easy, no trouble at all and pleasant. You need only 3 tablespoons two times a day. Often within 48 hours—sometimes overnight—splendid results are obtained. If the pains do not quickly leave and if you do not feel better, return the empty package and R-U-X will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. R-U-X Compound is for sale and recommended by Miller's Cut Rate Drug Store and drug stores everywhere. (Adv.)

Chapter 16
COMBAT DUTY!

She stood staring at him as he turned, swung open the door and turned back to her. She had read the words so often—had accepted them with distant understanding. But now when he said them they had a real and terrible clarity.

"No, Dave!" she gasped. He dropped her keys into her hand and laughed gently. "Just part of the game, Julie. It was and seeing you tonight." Blindly she stepped into the hall. She felt cold suddenly, and began to tremble. "Yes, such fun," he murmured. She looked up at him desperately. "I thought—I'd see you now," she said. "I thought—you'd be here for a while."

"We never know," he answered lightly. She clutched his arm. "You'll see me, Dave?" He hesitated. "I'll try," the words came out. Julie's lips trembled. Her hand tightened on his arm. "I don't want you to go," she whispered. He gave a gently scoffing laugh. "You'll never know I'm gone. I'm proud of you, Julie. I'll be seeing you the best of luck. You go that. Goodbye now."

He bent to kiss her quickly. Julie clung to him for one moment. She didn't see him. She stood there in the dark, her eyes still shut, crying.

RAY came running out to meet her and lead her into the apartment. In jerky sobs she told him of Dave's going. Kay got Julie into her bed, and led the electric hot pad at her. "Now you go to sleep," she said. "You're in no condition to get up tonight."

Dimly Julie heard Jack's car as it came, and its snorting as it started off again. In the phone rang. "Hello," her voice sounded very. "Did I get you up?" The deep, low tones were Marek's. "Yes—but it's all right."

A RESOLUTION
No. 351
RESOLVED, by the Town Council of the Borough of Warren, Pennsylvania, and it is hereby enacted and ordained by authority of the same as follows:

Section 1. That the tax rate on the assessed valuation of all taxable subjects and property in the Borough of Warren, Pennsylvania, for the year 1944 be fixed by authorities of Warren Borough as follows:

On one-half (½) of one (1) cent on all taxes received and paid on January 1, 1945 four (4) percent on all taxes levied and collected thereafter.

Resolutions inconsistent with are hereby repealed.

Local Club Gets Forest Picture For State Book

President Ethel Morris conducted the business session Tuesday afternoon when Blue Stocking Club members were entertained at the home of Miss Mabel Abbott, with Mrs. Fred L. Plummer assisting.

Miss Morris reported that a beautiful picture of Hearts Content has been secured by Mrs. R. F. Henningway, through the courtesy of the U. S. Forest Service, for use as a cover for the Pennsylvania Clubwoman, state federation magazine.

To open the day's program, the president read a description of The Christ of the Andes and showed a picture of this beautiful monument erected on the Argentine-Chilean border in a high pass in the Andes. The monument was built in 1904 by popular subscription to celebrate settlement of the boundary dispute between the two countries and the signing of the peace treaty.

Mrs. W. R. Carlin, presenting the main portion of the program, had for her topic "The Americas at War—Pan America as a Source of Strategic and Critical Materials". She displayed a large chart to be followed as she described strategic materials as those important products for which the United States is entirely dependent on outside sources and critical as those less important ones for which we are only partly dependent upon others. She told interestingly of mineral and agricultural products of South America, their uses and the percentages available to the United States.

For the tea which followed, Mrs. Norbert Peterson and Mrs. Brackett Ayers presided at a table attractively centered with daffodils and lilies.

The next meeting will be held March 7 with Mrs. Allison D. Wade and her mother, Mrs. Ruth Tillotson, as hostesses.

YW Plans First "At Home" Event

Interest is being manifest today in announcement that the YWCA will be "at home" from three until five o'clock on Friday afternoon.

This new event will take place in the activities building and is designed primarily for newcomers to Warren. The YW feels that it can be a common meeting ground for women in the community and has planned this informal social time to welcome new residents.

The education and recreation committee has planned to have more of such afternoons and is setting aside the third Friday of each month for this purpose.

For this first "at home", a special invitation is being given to newcomers at the Sylvania plant. Since it is hard to reach all newcomers, those in charge want it known that anyone is welcome on Friday afternoon and "Y" members are particularly urged to be present to greet those who have recently come to the community.

In charge of arrangements for the affair are Mrs. Norbert Peterson, Mrs. Harold Smith, Mrs. Allison Wade, Mrs. Robert Trusler and Mrs. W. F. Bennett.

CHURCH REVIVALS

PILGRIM HOLINESS

Pastor L. W. Drury, of the "Little White Church", announces that the revival crusade will continue with services at 7:30 each evening this week. Evangelist R. S. Shelton, of Winnsboro, S. C., has proved a forceful and interesting speaker and his messages have been much enjoyed. Rev. Shelton is superintendent of the South Carolina District of the denomination and has been very successful in revival crusades in other towns.

The special singing by Rev. and Mrs. Stover adds much to the meeting and all who attend will appreciate their good songs.

Red Cross Work Notes

VFW Auxiliary members are reminded to meet at Red Cross headquarters from 7 to 9 p. m. Thursday to make surgical dressings.

DOLLAR DAYS at TIMES-MIRROR

Friday and Saturday Feb. 18th and 19th and you have the opportunity to save \$1.50 on each and every year's subscription paid to The Times-Mirror. This offer applies on old as well as new accounts.

Social Events

SPINSTER CLASS
Spinster Class members of the First Presbyterian church held their regular meeting in Memorial parlors Monday evening, with President Martha Swick in charge of the business session and Mrs. F. S. Richards conducting devotions. Plans were discussed for the annual meeting in March, when an invitation will be extended to the Jefferson Men's Bible Class to join the ladies for dinner and a program. Mrs. M. A. Connelly will be program chairman and Mrs. B. V. Lesser will head the social committee.

On the social committee for this month were Mrs. C. P. DeLong, Mrs. Curtis Armstrong, Mrs. J. F. Crane and Mrs. R. W. Whitehill.

KRESGE EMPLOYEES ENJOY VALENTINE
Twenty-six women employees of the Kresge store enjoyed a fine ham dinner served Tuesday evening in the S. F. of A. hall. The table was decorated its full length with red hearts and Valentines and in the center was a large basket decorated with red roses and filled with homemade candies.

Following the dinner, an hour of old time songs was held, with Ruby Jackson at the piano. After this there were games, fortune telling and a nice time for all.

St. Patrick's next month will present the motif for another of these gay parties.

COLLEGE CLUB HAS FINE ADDRESS

Miss Ella Danielson was chairman of the February College Club meeting, when Miss Nancy Morrow, of Oil City, gave members an interesting talk on "The Story of the Flag". Her topic was made doubly interesting by her exhibit of many flags dealing with the history of the country. Music contemporary to each flag was played by Mrs. T. H. Conway. Routine business and refreshments served by Miss Arlene Schure and her committee concluded the evening.

ALI-WE-JE CLUB

All-We-Je Club members of the YWCA will have their regular dinner-meeting in the activities building at 6:15 p. m. Thursday for its devotional and business session. Rev. J. C. Wygant will speak informally and refreshment will be served by Mrs. Robillard, Mrs. John Lawson. All members and friends are invited.

SERIES BEGINS

A special series of instruction periods in the ways and teachings of the Episcopal church is to begin at Trinity church at 7:30 this evening and continue through confirmation on Passion Sunday, when Bishop E. P. Wroth will return to his former charge for confirmation rites.

ALLEN CLASS

Allen Class members of the First Methodist church will hold their regular meeting at 8 p. m. Thursday in Dunham parlors. Each one is requested to bring "a white elephant beautifully wrapped" and to be prepared to bid on the articles offered by two auctioneers.

Mrs. and Mrs. E. S. Munson, East Fifth avenue, entertained at dinner last evening at the Hotel Carver for their nephew, Lt. Willard Munson, of Banning, Calif., with his wife; also A. L. Munson, of Irvine. Lt. Munson leaves the end of this week for the west coast.

PLAN ICE SKATING PARTY

The Young People's Society of Calvary Baptist church is planning an ice skating party at Skinner Pond, in Pleasant township, Thursday evening with young folks of the Bethlehem Congregational church. All planning to attend are reminded to meet at the bus station at seven o'clock.

MISSIONARY SOCIETY

Women's Missionary Society members of Salem Evangelical church will meet at the home of Mrs. Gust Ristau, Locust street, at 7:45 p. m. Thursday for their session. Lincoln pennies for the mission work in Kentucky are to be turned in at this time.

QUARTET TO SING

The Ladies' quartet of the First Evangelical church will sing at the midweek service in Grace Methodist church this evening and a large turnout is hoped for to greet the visitors.

YOU WOMEN WHO SUFFER FROM HOT FLASHES

If you suffer from hot flashes, weak, nervous irritable feelings, are a bit blue at times—due to the functional "middle-age" period peculiar to women—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It helps nature! Follow label directions.

Personal Paragraphs

Miss Betty Lauffenberger, daughter of Mr. and Mrs. Richard Lauffenberger, 112 Biddle street, was X-rayed at Warren General Hospital Tuesday and it was learned she had received a fracture coccyx in fall down stairs. She will be confined to her bed for some time.

Mrs. MacLean Houston, Fourth avenue, has left for California, to visit her daughter, Miss Jane, engaged there in Girl Scout work.

Friends of Mrs. W. P. Nutting who resides each winter at 115 Conewago avenue, will be sorry to learn that she is ill at the Maeder Nursing Home on Marion street.

Mrs. Dorothy Groves, who recently submitted to an operation in Hamot Hospital in Erie, is convalescing at the home of her parents, Mr. and Mrs. H. M. Keller, Starbrick.

It is learned through friends that Mr. and Mrs. Forest Waite are expected home from California about the first of April.

Mrs. C. B. Graebner, of the Montgomery Ward store, left for Pittsburgh this morning to attend a style show which will be held in Webster Hall tomorrow.

Mr. and Mrs. Ben Taylor returned last evening from the east after spending several days in New York City. Mrs. Taylor in the interest of the Tiny Gift Shop, after which they spent the week end with their son, Private Benj. H. Taylor, Jr., who is a student in Basic Engineering in Haverford College, Haverford, Pa.

Mrs. Bessie Gorton, of Lockport, N. Y., formerly of Warren, underwent a serious operation last Friday in Buffalo General Hospital and reports from there today indicate her condition is fair. Her two sons, Horace and Gilbert, returned home last evening, having been at her bedside since Friday.

Social Events

MARTHA SOCIETY
Martha Society members of St. Paul's Lutheran church will meet at the church at 2:30 p. m. Friday, entertained by Mrs. Ludwig Peterson and Mrs. Alfred Jacobson.

ZONTA LUNCHEON

Zonta Club members will hold their regular luncheon-meeting at 12:15 p. m. Thursday in the YWCA activities building and all are asked to be on hand.

JUVENILE UNIT

All Pleasant Township Juvenile Grange members are reminded to be present at seven o'clock this evening for the regular meeting.

LANDER

(From Page Four)
His fiancée, Miss Dorothy Hauenstein, has also been a visitor at the Nelson home.

Word has been received by relatives that Allan Lindell will be stationed at Kessler Field, Miss.

The Marshall's biggest atoll, Kwajalein, is 2,400 miles southwest of Pearl Harbor and 2,750 miles from Tokyo.

ATTENTION READERS OF THE TIMES-MIRROR

Friday and Saturday Feb. 18th and 19th we are having Dollar Days and giving you the opportunity of saving \$1.50 on each year's subscription paid on either your old account or on new accounts.

WHAT IS A SMUPPY?

A SMART PUPPY, or a woman who buys Rumford Baking Powder, because she knows it's right for any recipe. Since she uses Rumford, the all-phosphate double-acting baking powder, she always has perfect baking results.

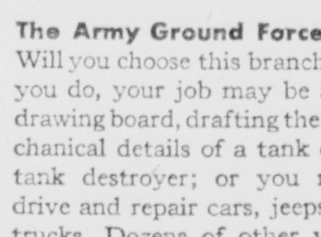

All three need WACS

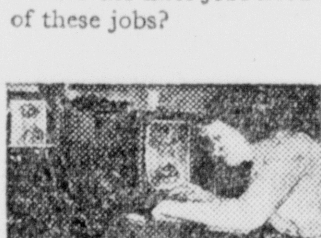

—which branch will you choose?

The Army Air Forces—Will you choose this branch? If you do, you may inspect parachutes, keep delicate instruments adjusted, plot or brief flying missions, or do an administrative job. Will you share in our victories in the skies?

The Army Ground Forces—Will you choose this branch? If you do, your job may be at a drawing board, drafting the mechanical details of a tank or a tank destroyer; or you may drive and repair cars, jeeps, or trucks. Dozens of other vital behind-the-lines jobs need Wacs to fill them. Will you fill one of these jobs?

The Army Service Forces—Will you choose this branch? If you do, your job may deal with administration, communications, equipment, finances, food, or transportation of men and supplies to the theaters of war. Will you share the work of winning the war in this branch of the service?

1. Now—Select Your Branch of Service—Army Air Forces—Army Ground Forces, Army Service Forces, within certain geographical limits.
 2. Now—Choose Your Job. Now, you may be recommended for an Army job you're already trained to do. Or if you've never worked before, you have a chance to get expert Army training.
 3. Now—Choose Your Station. Now you may ask for your first Army assignment at an Army Post in the Service Command.
- For Full Details about these new opportunities—apply at your nearest U. S. Army Recruiting Station, 125 Federal Court House Bldg., Erie, Pa. Lt. Elizabeth Clark Dario is in Warren every Wednesday at Y. W. C. A.
- (Women in essential war industry must have release from their employer or U. S. Employment Service.)

Warren Dragons Cop Sixth District Ten Game 36 to 31

Make Things Hum-e

Defeat Oilers in Final Home Stand of Year; Finley Paces Attack

The Dragons came through last night turning back the Oil City Oilers 36 to 31, in one of the most thrilling battles witnessed this season, and assured themselves no worse than a tie in the league.

Playing up and down ball, the locals managed to scrape through the first quarter with a 3 point deficit at 10 to 7, depending on Dick Finley for every point but one, as the Oilers hit with all their fury to try and knock the locals out of the league race.

After a fast break-shot from the tip-off, in which Finley racked up the opening score, the locals were outplayed in every division with shaky teamwork putting them on the tail end at 8 to 2. Finally with only three minutes of play left, Finley broke away for two shots, plus a foul by Beyer to trail at 10 to 7 at the period's end. Ungren hit the hoops for four pointers and Weaver and Snyder accounted for the remainder for the Oilers.

Opening up a barrage of shots in the second stanza, the Dragons overcame the lead and went out ahead 18 to 12 at the half. Finley, Beyer and Scallise found center for five field goals and roused the set-up, only giving Oil City 2 points by Snyder.

The Oilers struck back in the third canto and came within one point as they racked 13 points to Warren's 8 and their defenses tightened up again putting the Dragons in a precarious position. Weaver, of Oil City, bottled up Chuck McLean and held him to a lone field goal in the third, while Scallise and Eaton hit for one apiece. Couse, Ungren and Snyder led the Oil attack, slashing the hoops from every angle in their rally.

Both teams fought on an even basis in the last period with Warren holding a single point edge up until the final two minutes, then pouring in five points to clinch the decision. A foul by Beyer, of Warren, started the count, but a singleton by Snyder erased it. Then Scallise took a pass from McLean and dropped a two-pointer, but Pearson clipped the lead from the foul stripe with a one-hander. Finley stuck two foul shots for another three points advantage, but Couse, of the Oilers, hit the middle of the hoops from the side court. Then with only two minutes to go, Pearson hit from the foul stripe making it 31 to 30, but Joe Scallise took a pass and in a gallop dropped another from under the nets and Fred Beyer came in from the side court after a mis-cued foul by the Oilers was recov-

CHICAGO CAGE TEAM NEEDS ONE VICTORY

Chicago, Feb. 15—(P)—Just one victory would mean a successful season for the Medill High School basketball team, says Coach Wilbur Clarke.

But in four years the school with the smallest enrollment in the city, hasn't won a single game. That doesn't mean the players or Clarke are discouraged.

Two more games are scheduled and Clarke says "we believe we'll

win both. That would make this season our best in years. The players won't quit. They actually enjoy playing, and believe that the next game will be "it", and that's the main goal of any coach."

AGAIN

The Times-Mirror is having their Semi-Annual Dollar Days Friday and Saturday, Feb. 18th and 19th, and you save \$1.50 on each year's subscription paid on new or old accounts.

Another Pirate In the Army

Pittsburgh, Feb. 16—(P)—James Walsh, 23-year-old right-hand pitcher, the 24th member of the Pittsburgh Pirate to go into the nation's armed services, wrote President William Benswanger yesterday in notifying him that while "it is really tough to give up a career, thousands of others have done it and I am glad to be

able to do my part." One line in the youngster's letter appealed to Benswanger: "I do hope that some time in the near future I will be able to achieve my own goal in life by pitching a world series for the Pirates."

SAVE \$1.50

on each year's subscription to The Times-Mirror when paid on Dollar Days, Friday and Saturday Feb. 18th and 19th. This great saving applies on old and new accounts. 2-16-3

Maxie Berger Averages for Bowlers in Elk League to First of February

Given Lacing By Beau Jack

By LARRY SMITH

Cleveland, Feb. 16—(P)—The batteries for last night's game—Oh, we forgot, it was it was a boxing match—featured Beau Jack, the New York conception of the lightweight championship, in the pitcher's box, and Welterweight Maxie Berger, who should have known better, on the receiving end.

Berger, 27-year-old New York and Montreal leather pusher, figured his bout with the former Augusta, Ga., bootblack would put him into the big time. He did receive a sizeable check, but he'll be back to club fighting.

Leaping in to register with slashing hooks and following up with staggering rights, the Beau took all except the sixth round on the Associated Press score sheet—he missed that one because Referee Joe Sedley penalized him for low punching.

Berger went down for a two-count in the seventh after absorbing a choice assortment of the Jack artillery but he managed to stick it out for the full ten rounds.

Lower Merion Is Sixth Time Winner

Ardmore, Feb. 16—(P)—Lower Merion's crack basketball team have done it again.

The Pennsylvania state champions whipped Upper Darby 36 to 24, before 1,800 last night to win the section one title in the Philadelphia suburban conference for the sixth successive year.

The visitors took 65 shots—and dropped 23 field goals. It was the last game for Center Gitch Stuart who leaves for the Army Air Corps today.

(From Page One)
The Allied command had banned the use of on-the-spot radio facilities to news correspondents, decreeing that news copy must be carried by courier service and censored at base headquarters on policy as well as security grounds.

New York, Feb. 16—(P)—Edward V. Broderick, attorney for Wayne Lonergan, accused of slaying his wife, Patricia Burton Lonergan, moved today in general sessions court for permission to submit two assistant district attorneys to a lie detector test.

Washington, Feb. 16—(P)—Attorneys for Esquire Magazine contended today that freedom of the press is an issue in their suit to prevent Postmaster General Frank Walker from barring the publication from second class mailing privileges.

New York, Feb. 16—(P)—The exchange liner Gripsholm pointed its bow across the Atlantic again today, this time toward Lisbon, where more than 1,000 Axis war internees will be exchanged for a similar group of Americans, including wounded and sick soldiers now Nazi prisoners.

Methodical Destruction Continues
(From Page One)
below Rome, but German counterattacks forced them back.

While Allied heavy bombers gave direct support to infantry on both the beach and main Fifth Army front, A-26 invaders struck a sharp series of blows at railroad yards in the suburbs of Rome, plastering the Trastevere and Tiburtina freight yards through which German supplies and reinforcements were moving Southward. (The Paris radio said the Rome area was attacked again today and that Castel Gandolfo was hit yesterday.)

The Germans launched their first attack in several weeks against Eighth Army positions, sending infantry and light tanks against Indian troops. The assault, described as on a "small scale" was beaten back.

PROTHONOTARY CUTS DOWN
Pittsburgh, Feb. 16—(P)—Prothonotary David B. Roberts announced yesterday the elimination of nine clerks in his office at a saving of about \$1,500 a month.

Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12; 2 to 5 and 7 to 9 p. m.

FRANCIS GERALD MURPHY
Francis Gerald Murphy passed away at 6:30 Tuesday evening at his home in Irvine, following an extended illness. Mr. Murphy was born in Austin on June 22, 1899, and has been a resident of this community for the past seven years. He has been an employee of the National Forge and Ordnance Company for two years.

Those surviving are two sons, Dennis, in the United States Navy, Charles, at home; his mother, Mrs. Allen Powers, of Warren; one sister, Mrs. Josephine Evans, of Erie. His wife preceded him in death in 1937.

Removal was made to the Leo D. Gibson funeral home. Friends may call at the usual visiting hours. The parish rosary will be recited Thursday evening at eight o'clock. Services will be at the Holy Redeemer church Friday at nine o'clock, with interment at Emporium.

TIMES TOPICS

RECEIVES INJURY

H. G. Irwin, Jr., of Garland is expected home today from Erie, where he was taken for examination and consultation after he had been injured in an automobile accident on Monday. He had been in Erie for treatment of an injured knee and was enroute home when the accident occurred and he received further injury to the same knee.

READY FOR OPENING

Although the new community house at Garland has finally been completed and is already for formal opening, it is not known when this festivity will be held. Failure to get certain needed equipment and illness in families of those in charge have held up the work and it is not known if the opening can be arranged before the Lenten season begins. The building, only one of brick construction in the community, was originally erected to house the Grove Automatic Gas cutoff and has now been renovated and redecorated to form a most attractive community center.

AT THE HOSPITAL

Visiting Hours:
2:00 to 3:00-7:00 to 8:00 p. m.

Admitted Tuesday
Mrs. Beatrice Wilcox, 8 Oak Street.
Carolyn Lisby, Warren DR 3.
Mrs. Minnie Clark, North Warren.

Discharged Tuesday
Maggie Grace, 126 Conewango avenue.
Mrs. Hazel McChesney, Russell James McChesney, Russell.
Mrs. Vera Holmberg and baby, 3 West Fifth avenue.
Gertrude See, 511 Fourth avenue.
David Nessel, Warren DR 2.
Mrs. Doris Stewart and baby, North Warren.
Roscoe Arnold, 108 Palm avenue.
Mrs. Elaine Snyder and baby, Warren RD 2.
Fred Groesch, 416 Prospect street.
Mrs. Nellie Matie, Sheffield.

HARRISBURG JUNK DEALER FOUND DEAD
Harrisburg, Feb. 16—(P)—Rubin Magee, 50-year-old Harrisburg junk dealer, was found dead on a highway two miles north of nearby Progress last night with a bullet wound in his neck and Coroner Earl F. Grim said today "it looks like a case of murder."

Passing motorists found Magee's body, Grim said, and it was first believed he had been killed in an accident. An autopsy hours later disclosed the bullet wound near the base of the ear. The coroner said it could not have been self-inflicted.

State police said no weapon had been found nor had it been determined whether Magee was shot where the body was found or was carried there after he died.

Auto Stolen At Tidioute Is Recovered

Sheriff L. E. Linder and Deputy Sanford Secor returned this afternoon from Jamestown, bringing to Warren county jail two West Hickory men, Howard Zuck and Norman Bhe, who the officers say, have confessed to the theft of Gordon Downey's car at Tidioute last night.

The men, arrested in Jamestown about one o'clock this morning through cooperation of District Attorney J. H. Goldstein and Jamestown police officials, have confessed to stealing the car about seven o'clock last evening and signed extradition waivers. It is thought likely they will be arraigned here tomorrow.

The stolen car, a 1937 Chevrolet sedan, was turned over to its owner this morning. It had been partly wrecked when it struck a sign near Sugar Grove.

Nazi Leader In Finland Urges Withdrawal

(From Page One)
advice, particularly in view of the fact that the Russians recently have recaptured vital nickel mines in the Ukraine, leaving Finland as Germany's chief source of that vital metal.

It has been estimated that Germany now has seven divisions of troops in Finland. Their presence undoubtedly has caused the Finns to proceed cautiously in the matter of effecting a separate peace with Russia, for they fear reprisal measures which the Germans might take.

DOGS WILL NO LONGER RECEIVE PURPLE HEART

New Rochelle, N. Y., Feb. 16—(P)—William Thomas, past national commander of the Military Order of the Purple Heart, says he has been informed by the adjutant general's office that War Department medals designed for soldiers no longer will be awarded to dogs.

Thomas said he had written protests to President Roosevelt, secretary of War Stimson and the adjutant general after reading about four dogs receiving war medals.

Warren Files Application For Aid In Post-War Construction Completing Sewage System

Over the nation a survey is being conducted and under the plan outlined there should be no repetition of the dire days that followed World War No. 1. Throughout the length and breadth of the land states, cities, borough and other political sub-divisions are setting up construction programs that will provide a cushion against unemployment following the war.

The survey is being conducted by the Federal Public Works Reserve which is carefully filing all data so that when needed there will be a program showing needs in every part of the land. There will be no hit and miss construction program such as there was when the old CWA and WPA was in effect.

To the end that Warren may be represented in the projects applications have been filed by Borough Engineer Barwis for \$697,000 worth of construction in this city. Briefly the projects which Warren has given attention in construction work is the completion of the interceptor sewer system and the building of the new sewage disposal plant and a paving program to cover all of the unpaved streets of the city. The program is set up to cover a five year period during which time the borough will be able to finance its share of the work with no increase of taxation on the people of the city.

Under the CWA and WPA which were operative for six years the borough has done a large amount of work amounting to several hundreds of thousands of dollars at a cost to the borough of only 17% of the total cost. In many instances the Federal government paid not only the cost of the labor used but a large share of the cost of materials.

During this time the proposed sewerage system for Warren borough was given attention and 90% of the construction was finished. The sewage system is a comprehensive one covering the entire borough. On the East Side all of the sewage is brought to the large interceptor sewer on Lexington

avenue. This sewer handles all of the sewage from the Ninth ward and all matter east of the Conewango creek. This sewer travels westward and at the foot of Oak street will be brought across to the island and there a pump station will be erected. Two twelve inch sewers of cast iron will carry the sewage across the Allegheny to the South Side and these will be higher at the South Side end than on the island, affording a flow by gravity through the seventh ward to the sewage plant.

West of the Conewango the sewer which is laid on East street will carry all sewage east of the Carver House to the island. West of the Carver House the sewage will travel in the big interceptor to Pine street where another pump house will be erected to pump the sewage across the river. This sewer is already in use and is discharging into the Allegheny river at Pine street.

There yet remains to complete the sewage system 300 feet of sewers on the South Side, the crossings of the river and the connections of the various sewers to the disposal plant. As yet no price has been secured on the site of the proposed sewage plant which will be located on a piece of ground bounded by Harmer, Biddle, Tuscarora streets and the Allegheny river on the south side. No design has as yet been passed upon for the plant construction as it is felt that by waiting until the construction is ready to start a better and more efficient disposal plant can be secured.

To erect the disposal plant and to finish the sewer system the cost is estimated at \$400,000.

The proposed five year paving plan is estimated to cost \$272,000 which would give Warren a splendid street system completely paved in every street.

President of Council Forest Waite is greatly interested in the completion of the proposed plans, and in a recent letter to Engineer C. W. Barwis said "I am heartily in favor of this construction as a post war project. I feel that the borough will have the money to go along without burdening the taxpayers. The borough finances are in good shape and I feel that Warren can avail itself of any offered opportunity to carry on the improvements outlined in our application to the Federal Public Works Reserve".

There are still other projects which have been discussed by the Councilmen at various times but none of these have as yet been filed for action with the aid of Federal funds. Among them is the proposed athletic field, baseball and football fields, bathing pool, etc. Proposed to be built on the site of the old Wilburine Oil Works.

Missionary Travels Far Doing Good

Presenting his annual report on field work Rev. B. F. Armstrong, missionary of the American Sunday School Union, shows that in the year ending February 15 he has traveled 7,382 miles and has visited 960 families. He has held three daily vacation Bible schools, conducted nine group gatherings and has eight young people's societies in operation.

He reports there were 16 conversions and 25 consecrations for Christian life service at the young people's Bible camp held at Seneca Hills.

His field covers the rural sections of Warren and Forest counties where there are many boys and girls who would be unreachable by the gospel if it were not for this missionary work. The two counties have a population of 48,380 persons and figures show 60 per cent of them live in these rural areas.

Another phase touched upon in Rev. Armstrong's report is that his rural territory has sent 70 young men and one young lady into the services of their country.

IRVINE

Irvine, Feb. 12—A few of our ladies journeyed to Warren Feb. 1st to help Mrs. Barbara Gross to celebrate her birthday. Mrs. Harry Gillespie, Miss Theresa Nelson, Mrs. Joseph Tettie, Mrs. Fred Wilson, Miss Eunice Anderson, A very pleasant afternoon is reported and delicious refreshments served.

Jean Dalley, who is in training at New York City Hospital, returned Saturday morning after being home visiting with her brother, Jack who spent a week's furlough with his parents, friends and other relatives from Camp Blanding, Florida. He left Saturday evening for a camp in Maryland. Jack is looking fine.

Floyd Walters came Sunday morning January 23rd from Pittsburgh and remained until Tuesday afternoon when he and Mrs. Walters left for home after she had spent a week with Floyd's mother.

Mrs. H. B. Wing was hostess on Thursday to the W. S. C. S. of the Methodist Church. The president, Mrs. Edith Olson, conducted a short devotional and business meeting. The balance of the afternoon was spent in tying

and binding a quilt. An out of town member guest was Mrs. Louise Colter.

Mr. and Mrs. Tom Carr and daughter of Amherst, Ohio, spent the week end with her parents, Mr. and Mrs. L. C. Oviatt.

Mr. and Mrs. Lee Nulph and son spent the week end with his parents, Mr. and Mrs. Harry Nulph at Scotch Hill.

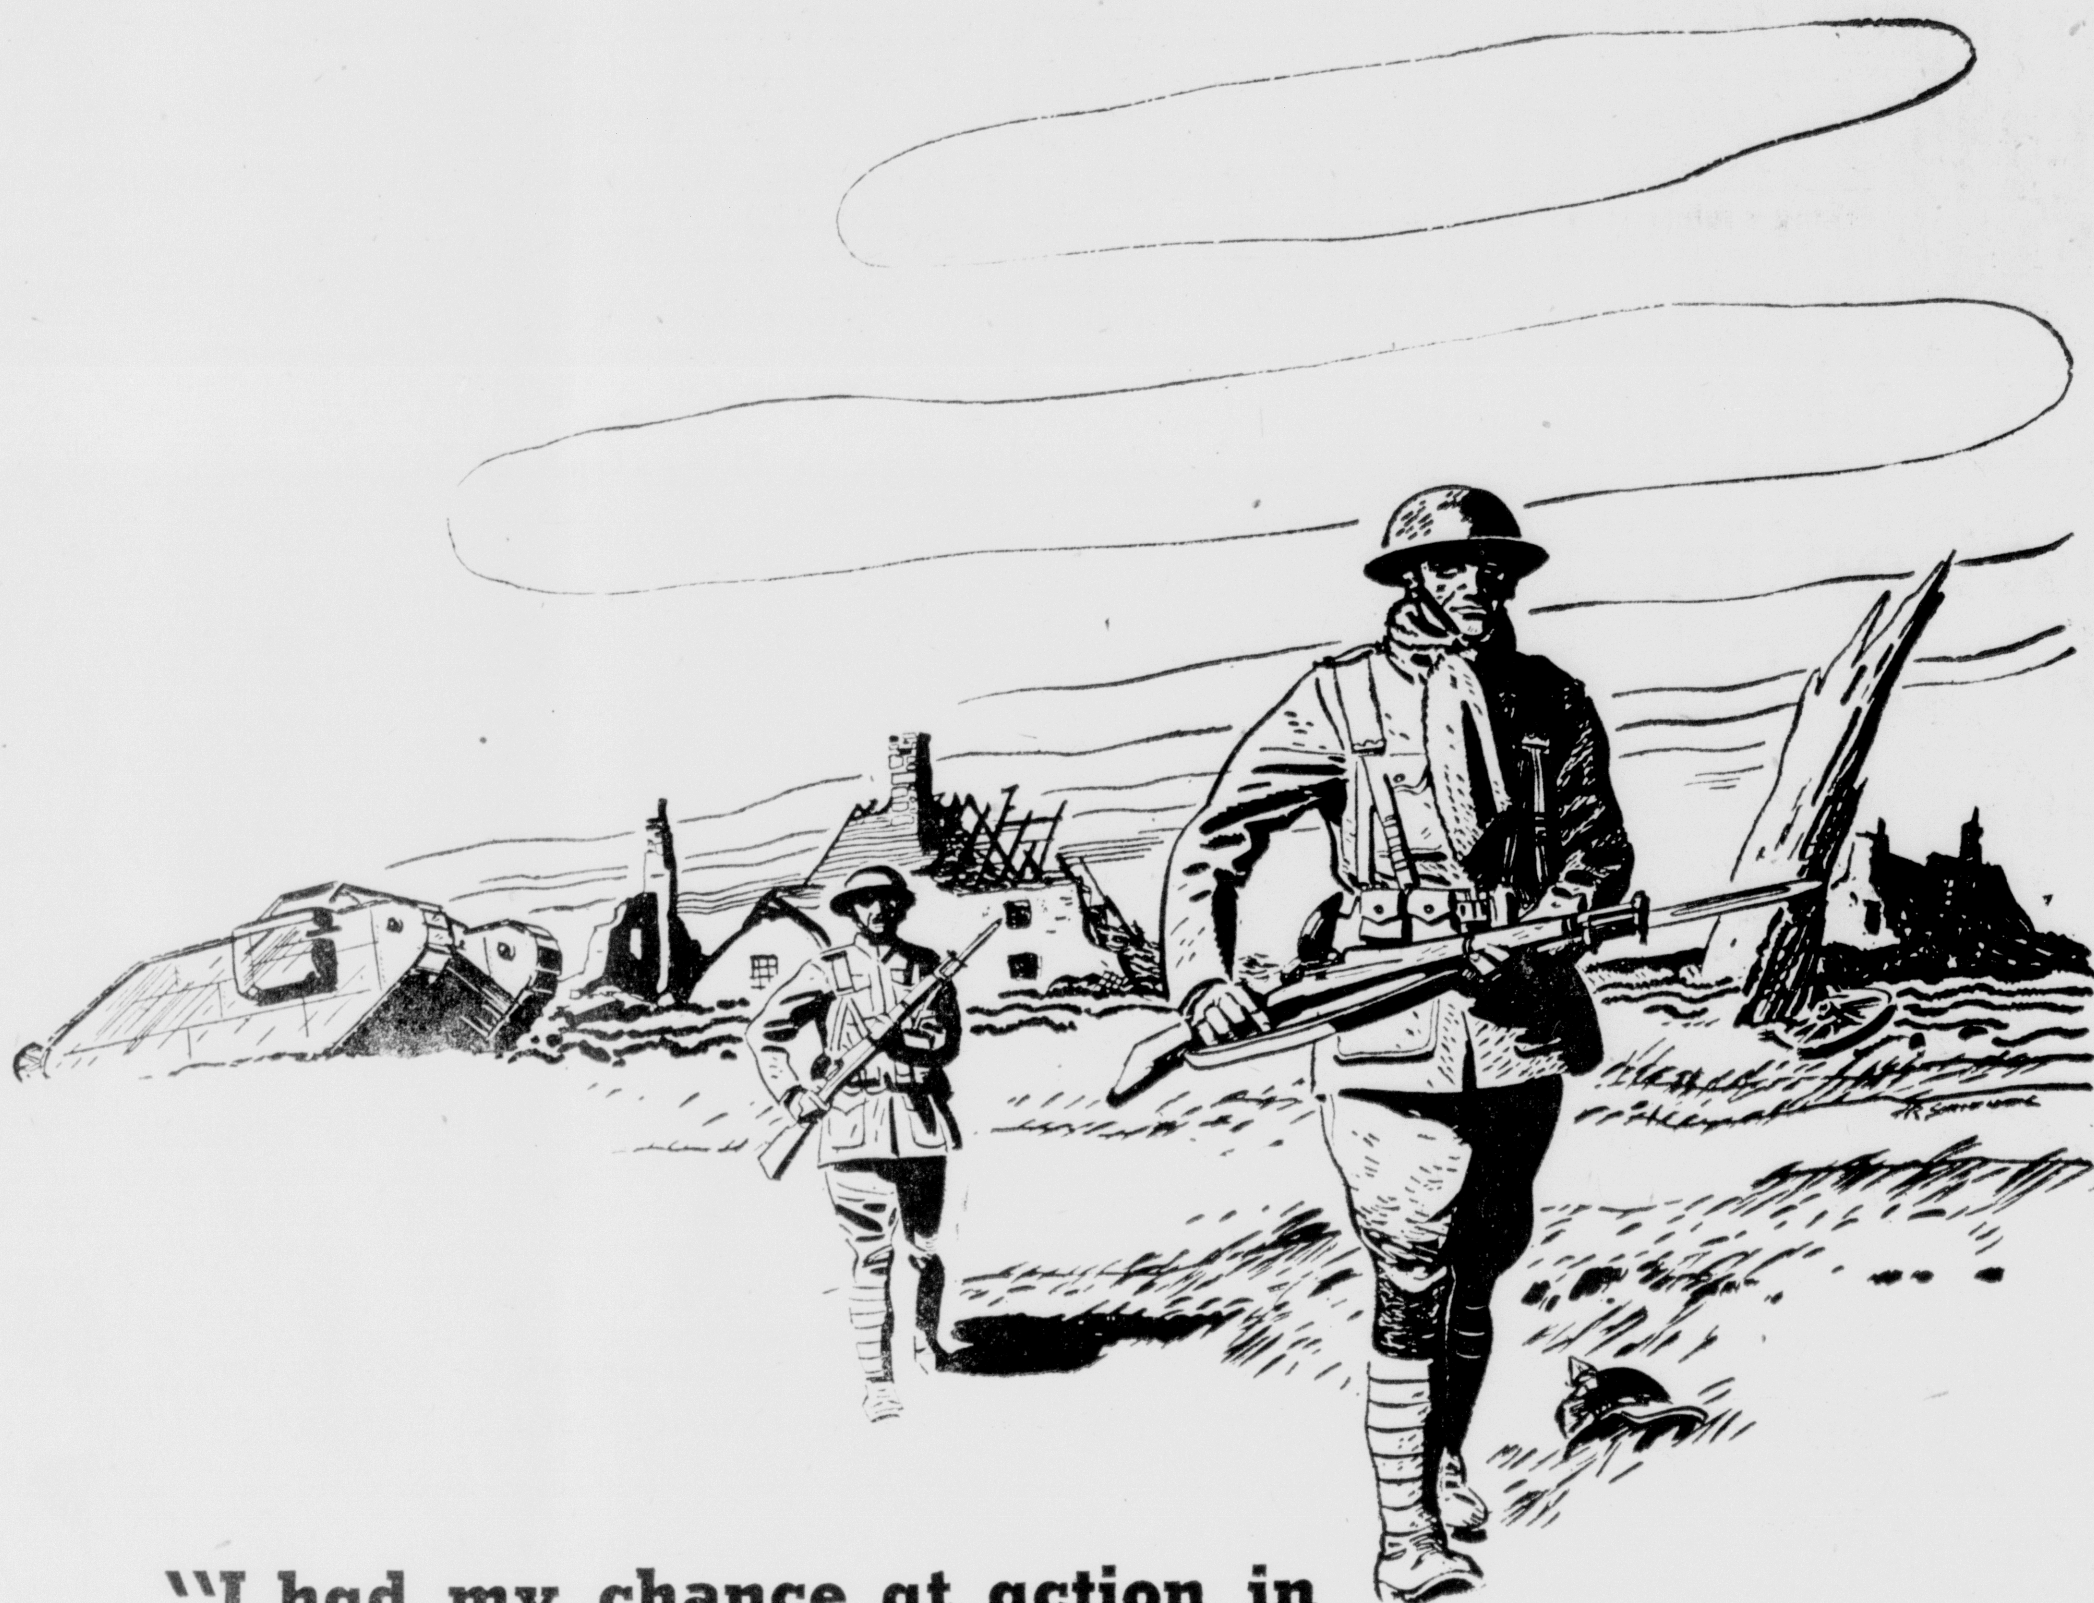

Mrs. Inez Westfall who has been ill, we are glad to say is improving.

Mr. and Mrs. Harry Wing were dinner guests on Sunday at the home of Mr. and Mrs. Frank Dalrymple of Warren.

Mrs. Chester Graybill and mother, Mrs. Peterson of Sheffield, were callers on Friday afternoon at the homes of John Freeman and Harry Wing.

ATTENTION READERS OF THE TIMES-MIRROR

Friday and Saturday Feb. 18th and 19th we are having Dollar Days and giving you the opportunity of saving \$1.50 on each year's subscription paid on either your old account or on new accounts. 2-16-31

"I had my chance at action in the last war, son."

I waded through mud and even

stopped a little schrapnel. This time my job is on the

"home front". As a lineman for the electric company,

I like to feel that I am contributing a part to the gigan-

tic war job electricity is doing day in and day out—

24 hours every day—providing light, heat and power that helps skilled men work faster and better.

Yes, Son, electricity is doing it's job and doing it well. In homes, stores and factories every essential need for this vital war product has been met.

This doesn't mean that we're not careful in the use of electricity. As you

know, its production involves coal, manpower, transportation and mater-

ials—all critical shortages. That's why we say "Use electricity wisely—

even though it isn't rationed"

This is one of the many ways we on the home front can back the attack."

Dad

J. P. FENSTERMACHER, District Manager

PENNSYLVANIA ELECTRIC COMPANY

PENELEC

The MOST From Your Gas

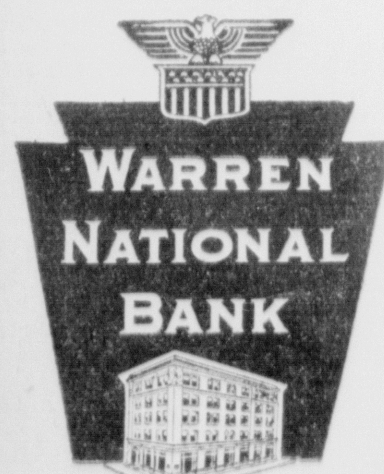

New "A" mileage ration coupons No. 9 just starting! You get just so many miles of automobile travel per month on your gas ration. Easily figured, the number of gallons multiplied by the miles per gallon your car does.

You will also get so many miles from your tires. You can't run on three tires,—after the spare and one of the four gets too thin. Then, the car stops for the duration, unless you can get a recap or are lucky enough to qualify for new tires.

How are you going to spend those miles and that gasoline? Better limit them to necessary use. Whenever the business errand can be done by a check and a postage stamp,—that is a good time to think of Thrifti-Check. Its advantages are:

ThriftiCheck ADVANTAGES:

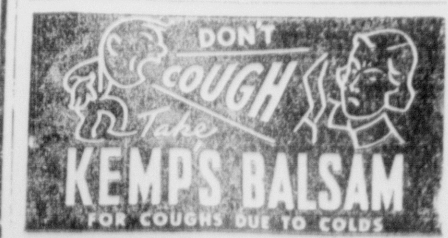

You can start an account with any amount.
No minimum balance required.
No monthly service charge.
No charge for deposits.
No account number to remember.
YOUR NAME PRINTED ON EACH CHECK.
The only cost is a small fee per check... listed in next books of 20 checks.

American Aviation Brings Talented Team To Y. M. C. A. Gym For Struthers Tilt

Struthers-Wells meets the fast Jamestown American Aviation tomorrow night on the YMCA gym in what promises to be one of the best matches this season on that court.

The local team has been hard hit in the league this season, but have strengthened their outfit in preparation for this event and hope to put the skids under one of the best defense outfits in that part of New York State.

The Aviation team has players from several colleges on their roster and have played quite a few out-of-town tilts this year, including the strong Post Jewelers of Erie. They are bolstered by the services of Ken Littlejohn, former Northwestern U. ace, plus Jack Sanford, well-known baseball player who managed the Falcons, PONY league entry a couple of seasons back, along with plenty of other talent.

quint with such players as Peterson, Bjers and an addition of Nick Otto and Korchak, of the Sheffield O'Connors and Bill Weidert, crack forward for the Blomquists this year. The game will start at 8:00 p. m. and will be followed by the Baker Dry Cleaning team which meets a combine from GE of Erie, and has Frank Anasti, player for the Boston Red Sox baseball team this year.

Both games are sure-fire attractions and will be a good evening's entertainment for local fans who have not seen out-of-town aggregations here for a good many years.

SAVE \$1.50

BOWLING

(From Page Six)

MOOSE LEAGUE

Henderson's Lunch took three from Morells in the Moose league last evening while McLeans and Soda Mahood were breaking even. C. Mahood had another of his big nights with a single game of 227 an dhigh total of 541. E. Henry had a 223 score. For the pop boys H. Christman had a 208 single game and total of 554. Look took honors for McLeans with a 270 single and 523 total. The team totals:

McLeans..... 821 828 802—2451
Soda Mineral... 825 750 824—2399

Hendersons..... 747 750 917—2414
Morells..... 731 828 812—2371

CONEWANGO LEAGUE

Trevenens proved anything but "terrors" for the fast-going MacDonald in the Conewango league last evening, the latter taking the first and third games to pile up total pins for three points. Armstrong topped the winners with a 212 in the third and a total of 539. Young with a 205 in the first for a total of 533 was a close second, and Kopf, in the cleanup position, came through

with a 208 in the third after being rolled out in the first. Howell, performing for Robertson, had a high 191 and 514 to take honors for the "terrors". The team totals:

Trevenens.... 789 822 808—2419
MacDonald.... 877 798 923—2598

Last Night's Bouts

Cleveland—Beau Jack, 138, Augusta, Ga., outpointed Maxie Berger, 143½, Montreal, 10, non-titlic. Tommy Bell, 148, Youngstown, stopped Chuck Hunter, 146, Cleveland, 2.

New York—Frankie Terry, 155, New York, outpointed George "Red" Doty, 150, Hartford, Conn., 8. Willie Roache, 139½, Wilmington, Del., outpointed Billy Marcus 138½, Hartford, 8.

White Plains, N. Y.—Ballesandro Carubia, 153½, New York, outpointed Dom Yovella, 161, Poughkeepsie, N. Y., 8. Jerry Darby, 133½, New York, knocked out Henry Pratt, 129½, Pittsburgh, 6.

Approximately ten per cent of Missouri's 498 newspapers now are published by women, subbing for husbands or sons in the armed services.

Thirty carloads of spare auto mobile parts have been shipped to Alaska to complete replacement of Army ordnance depots along the Alcan highway.
